Another Great FILM comes to the WORLD!

The World Theatre that gave you "OPEN CITY" and "PAISAN" is now proud to present another outstanding film "THE LAST STOP"

"Like 'Paisan' and 'Open City' and other predecessors at the World, this latest import from Europe is a stark and uncompromising film."  
 — Bosley Crowther, N. Y. Times

"The 'Last Stop' is true and strangely exalted. It should be seen by everyone... an unforgettable screen account of sadism and heroism."  
 — Howard Barnes, Herald Tribune

"EXCELLENT RATING!" — Archer Winsten, N. Y. Post

"The World Theatre has been a specialist in just such pictures and found a large and eager audience for its 'Open City' and 'Paisan.' 'The Last Stop' belongs in a class with the other two. It is a monumental achievement in the art of movie-making."  
 — Alton Cook, World-Telegram

"The most important new film... amazing. It is one more picture for civilized mankind's archives."  
 — Genet, New Yorker

"One of the most important films ever made. Rarely have so many naturally beautiful women been shown on one screen."  
 — Mademoiselle
